New Business:

1.) AD Presentation-Mr. Mann: The current AD responsibilities include making basketball schedules, secure officials for games, coverage for concessions. The AD also makes the gym scheduled for practices, games, ect. The AD is also in charge of the supplies for concessions. The AD is always in attendance for home games to help/assist with the opposing team. The AD secures coaches for different sports, ensures IESA rules and guidelines are carried out. Some projects our AD has completed are new uniforms for the girls' basketball and volleyball. He has also gotten new volleyballs and volleyball cart, pool arms to retrieve balls, arm pads to practice contact drills, and new basketballs for the little warriors' program. Some accomplishments that our AD has been apart of are first 7th grade volleyball regional win, ACSI basketball tournament, 6th grade girls received 4th place for basketball in 2023, and the 5th grade girls had a great season with only one loss. Improvements our AD would like to make in the future are hosting basketball camps, more pictures taken during the games/players, sell old uniforms as a fundraiser, live stream home games, and better storage solution for equipment.

- 2.) Marketing Committee: Recently brochures were sent home with students in their backpacks highlighting ways people could sponsor, donate, and support the school for the upcoming spring auction March 16th at the Pillars. The caterer for the auction has been secured and Angelo's will be providing the food. Tickets Sales for the auction will begin Jan 23-March 5th. The cost of tickets is \$50/person. - 3.) Teacher professional development opportunities: Lincoln Christian Professor, Frank Dicken to help with spiritual development (4 sessions/1 hour each session).
