

VisionWay Christian School ***Family Engagement Policy***

PLEASE RETURN THIS COMPLETED FORM WITH REGISTRATION MATERIALS

I. Enrollment Agreement – Family Engagement Clause

As a condition of enrollment, the Parent(s) or Guardian(s) agree to comply with VisionWay Christian School's Family Engagement and Participation Policy. Each enrolled family is required to satisfy the annual Family Engagement Commitment through volunteer service, fundraising participation, or an engagement waiver contribution, as outlined below.

The Parent(s) or Guardian(s) acknowledge that fulfillment of the Family Engagement Commitment is required each academic year and that failure to satisfy this requirement may result in additional charges, subject to administrative review.

II. Family Engagement Policy

VisionWay Christian School believes that active family involvement is essential to fulfilling its mission and sustaining a vibrant school community. Accordingly, all enrolled families are required to meet an annual Family Engagement Commitment.

Each family must satisfy one of the following options during each academic year:

- *Volunteer Engagement: Completion of a minimum of twenty (15) volunteer hours per family per academic year.*
- *Fundraising Engagement: Participation in school fundraising initiatives or a financial contribution in an amount established annually by the school.*
- *Engagement Waiver Contribution: A financial contribution in lieu of volunteer or fundraising participation, in an amount established annually by the school.*

Volunteer opportunities are published annually through the VisionWay Volunteer Menu. Families may combine volunteer service and fundraising participation with administrative approval. Engagement commitments reset annually and do not roll over.

VisionWay recognizes that families have differing capacities and schedules and approaches this policy with grace and flexibility
