Upcoming Missions Week

The week of November 2nd is Missions Week. Missions Week is a week at VisionWay where we focus on missions and donate to different charitable organizations. This year for missions week, it is Birthday Party in a Bag. This year we are donating to Taylorville Food Pantry and multiple others, depending on how much supplies VisionWay gets.

You may be asking “What’s a Birthday Party in a Bag?” Well I am glad you asked! Birthday Party in a Bag is a supply drive for families who struggle to buy birthday supplies.

Everyone can get involved! Be sure to check out your class list (at bottom of article). You can donate the assigned class supplies or money.

We will also have a guest speaker for Missions Week Chapel.

Pre-school/Pre-K - Birthday Plates & Birthday Napkins

Kindergarten - Plastic Table Cloths & Birthday Banners
