Grandparents' Day Chapel

Every year VisionWay has a chapel dedicated to our grandparents. Every class sings a song.

This year, the kindergarten class sang “This is the Day.” The 1st graders sang a song called “Good God Almighty.” The 2nd graders sang, “My Jesus.” We had the 3rd grade class sing "It Really Is Amazing Grace," and the song "What an Awesome God" was the fourth grade chapel song. Last but not least, 5th and 6th grade classes sang “Left It in the River.” The grandparents then came to the classrooms to see and get their grandchildren after the chapel. Good job to all the grades!
