The Blue Ribbon Book Fair

It's time for the Blue Ribbon Book Fair! This is something that takes place every year at VCS. The book fair consists of books, activities, and creative items.

This event takes place on November 9th through the 13th, in the foyer, where your kids come in for school. The shopping hours are, morning 8:00 through 8:45 a.m. on Monday, Tuesday, Thursday, and Friday. Then after school hours are 2:45 through 3:45 p.m. on Monday, Tuesday, and Thursday only. For morning and after school shopping family members may help their students. Also class shopping day is on Tuesday November 10th.

This event is very important because it inspires so many kids to read, there is even a biblical worldview behind all of the books. Here is a quote from our principal Mrs. Brown, "The reason I love the Blue Ribbon Book Fair is because the books provided are aligned with Christian values."

Thank you to the Blue Ribbon Book Fair for providing all the books. PIE, thank you for setting up and volunteering your time to put this all together. Then, thank you to the volunteers who are taking time out of your week to come and help with the book fair.
